Bilkent University

Department of Interior Architecture and Environmental Design

GRADUATE SCHOOL OF ECONOMICS AND SOCIAL SCIENCES 2020-2021

Areas of Specialisation

- Building Science
- Design Theories and Methods
- Environmental Psychology and Design

Interior Architecture and Environmental Design Department offers Master of Fine Arts and Ph.D. in Interior Architecture and Environmental Design. The graduate program prepares students for leadership roles in academia and industry. The curriculum provides an interdisciplinary outlook, scholarly inquiry and constructive criticism from related social science and engineering disciplines.

Students benefit from Bilkent Library, one of the largest and best equipped libraries in Turkey. Bilkent University has been ranked 45th in the Times Higher Education 'BRICS & Emerging Economies Rankings in 2019'.
