

# IAED

our

## Department

### Interior Architecture & Environmental Design

# Curriculum

Design is an extremely popular career.

The curriculum of our department is designed in such a way to give students with different talents from any educational background a foundation of knowledge and skills in all areas of interior architecture and environmental design.

# Curriculum

During an eight-semester curriculum, students will receive a modern and advanced education, will be part of a group of professionals related to intensive design studios and must complete two professional internships.

# Courses

Lectures, lab activities and design studios will be conducted with a close collaboration of professors and invited leading professionals.

# Design Studios

Design studios will be consisting of different components: lectures, desk critiques, pin ups and presentations.

# Field Trips

Related to design studios and /or courses, field trips will be organized.

# Activities

During the semester, seminars and workshops will be scheduled to extend knowledge and skills of students.

## Material Seminar

## Workshop

# Alumni Network

Graduates from our department have attained leadership positions in Turkey and abroad.
